Name: World Heritage Volunteer in Vigan

Type of work: Cultural (CULT) - Festival (FEST) - Renovation (RENO)

Country: FILIPINAS

Location: SIN LOCALIDAD

Address:

Email:

Phone Number:

Web:

Fee: 180.0 EUR **Languages:** Spanish, English

Description

Partner:

Established in the 16th century, Vigan is the best-preserved example of a planned Spanish colonial town in Asia. Its architecture reflects the coming together of cultural elements from elsewhere in the Philippines, from China and from Europe, resulting in a culture and townscape that have no parallel anywhere in East and South-East Asia. The unique features of Vigan provides a platform for young people from all over the world to experience first hand this cultural integration of east and west through direct action and immersion with the local culture. Despite the various efforts of the local government of Vigan, the interest of young people on heritage conservation is slowly diminishing. We hope that through the World Heritage Volunteer programs, we will be able to reignite the interest and strengthen the interest of young people locally, nationally and internationally that will paved the way to a more stronger collaborations and actions in the future.

Work:

The volunteers will be helping in the organizing of the 1st National Heritage Youth Summit to gather around 400 youth leaders all over the Philippines. Volunteers will be hosting, facilitating and managing several activities together with the local volunteers. Furthermore, there are interactive activities that are planned for this celebration.

Accommodation and food:

Accommodations will be in the dorm type style with minimum of 4 people sharing in the room and maximum of 6 people. There will be common area for kitchen and toilet. Hot shower is not available and western seat toilet is available.

Three meals in a day will be provided (Breakfast, Lunch and Dinner) in most cases Filipino food are provided. But participants will divide the tasks to prepare their food together and plan their meal properly with the given budget. This is a fun and exciting activities with assistance from the local participants.

Dinner venue may change from time to time depending on schedule but mostly hosted by one family in the community or where the participants is staying.

Location and leisure:

The airport of entry is Ninoy Aquino International Airport (NAIA) in Manila. One of the IGEEI local volunteer will meet the participants in the airport once the travel details has been provided. Due to the location of the project, we strongly suggest that we meet the volunteers in the airport and travel together going to the project site. Public transportation is a challenge in the Philippines.

All volunteers will travel together with IGEEI representative/s to Vigan. Vigan City is approximately 8 hours away from Manila.

The venue is in Vigan, Ilocos sur Province approximately 8 hours away from Manila depending on traffic. Vigan is a world heritage city with diverse places to visit, to get more idea what to do in the vigan you may check this link https://www.tripadvisor.com/Attractions-g424958-Activities-Vigan_Ilocos_Sur_Province_Ilocos_Region_Luzon.html. During weekends participants will have their free time, they may decide to travel together in some places within Vigan. Please take note that free time is not covered by the participation fee. This can be shouldered by the participants themselves, we recommend that the participants bring

World Heritage Volunteer in Vigan**IGEEI01****Requirements:**

Summary

The volunteers will implement the WASH module already developed where suggested activities and key learnings are provided. WASH Education module utilizes participatory activities that are fun, creative and enjoyable for children age between 4-6 years old.

Description

Partner:

The Water Sanitation and Hygiene (WASH) Education for Children has been designed to provide children in various daycare centers in Tanay, Rizal Province the opportunity to learn basic information about sanitation and hygiene. IGEEI is working with 19 day care centers in Tanay, Rizal province and developed a WASH Education Manual that could be completed within 10 days or shorter. The daycare centers are located in rural area not easily accessible and some facilities for children are limited. IGEEI is addressing these gaps step by step but with the help of international workcamps it contributes in changing the attitudes and mindsets of students, teachers and parents on the importance of sanitation and hygiene.

Work:

The volunteers will implement the WASH module already developed where suggested activities and key learnings are provided. WASH Education module utilizes participatory activities that are fun, creative and enjoyable for children age between 4-6 years old. Optimizing non-formal education strategies, the module allows integration of intercultural learning by introducing various activities and games for children to stimulate their imaginations and learn more about the international participant's cultures and traditions.

International Workcampers will implement several activities each day in a rotating basis. This will allow all workcampers to experience facilitating the activities directly and building their confidence in public speaking and dealing with children. Each day, international and local workcampers will discuss strategies and activities each day as well as evaluating each day.

Accommodation and food:

Accommodations will be in the dorm type style with minimum of 4 people sharing in the room and maximum of 6 people. There will be common area for kitchen and toilet. Hot shower is not available and western seat toilet is available.

Three meals in a day will be provided (Breakfast, Lunch and Dinner) in most cases Filipino food are provided. But participants will divide the tasks to prepare their food together and plan their meal properly with the given budget. This is a fun and exciting activities with assistance from the local participants.

Lunch in most cases will be packed in lunch boxes because participants will be in remote locations where the day care centers are located. Dinner venue may change from time to time depending on schedule but mostly hosted by one family in the community or where the participants is staying.

Location and leisure:

The airport of entry is Ninoy Aquino International Airport (NAIA) in Manila. One of the IGEEI local volunteer will meet the participants in the airport once the travel details has been provided. Due to the location of the project, we strongly suggest that we meet the volunteers in the airport and travel together going to the project site. Public transportation is a challenge in the Philippines.

Leisure activities

The venue is in Tanay, Rizal Province approximately 3 hours away from Manila depending on traffic. Tanay is an upland rural area famous for hiking, caves and river natural wonders. To know more about places to visit in Tanay please visit this link: <http://sheslouisie.com/8-must-visit-places-around-tanay-rizal-in-a-day-under-php-1000/>

During weekends participants will have their free time, they may decide to travel together in some places within Tanay. The location being an upland means there are no near beaches in the area. We recommend that they do this after the workcamp proper.

Please take note that free time is not covered by the participation fee. This can be shouldered by the participants themselves, we recommend that the participants bring at least 10,000 Pesos (200 USD) as their pocket money.

Requirements:

- English (conversational)
- Flexible, open-minded and passion to share their knowledge and time with children.
- Since we are working with children, we will require some proof of no criminal record.
- We normally accept teens (14-17 y.o) in our camp mix with other ages, however, we need the parental consent form that is provided by IGEEI to be accomplished.
- Copy of the comprehensive insurance with medical and repatriation coverage.
- We request the volunteer to answer our online application form and if the sending partner has an existing form will be accepted provided it is written in English.
- Invitation letter
