## Description

### Partner:

The association Jaunatne smaidam / Youth for Smile is a non-profit non-governmental youth organization established in 2005. Our organization's mission says that we are a strong and value-based children and youth non-governmental organization that in achieving its goals, objectives and basic principles acts as impetus for the strengthening of the basic principles of civil society. Our main aim is to unite children and youth to promote their participation in non-formal education in order to develop their skills and abilities to take part actively in social processes at local, national and international levels.

### Work:

Volunteers will help to organise outdoor activities for socially disadvantaged children in Vecumnieki and Bauska municipality. At the first days of work camp participants will have a preparation training for outdoor activities with children, such as orientation, sport tourism, low and high ropes, non-formal education methods for team building and conflict management. Volunteers will assist in the integration and consolidation activities for children from the age of 7 up to 15. These activities will be organised in different villages in Vecumnieki municipality (Stelpe, Barbele, Vecumnieki) and Bauska municipality (D257;vi326;i).

### Accommodation and food:

Living conditions are very basic. The volunteers will be accommodated in the building of the youth house. Sometimes it could be necessary to stay in tents if the work requires. Toilets and washing facilities will be provided. Cooking will be done by volunteers themselves in the kitchen or on a campfire. Volunteers should bring their sleeping bags.

### Location and leisure:

Work camp will be organized in Vecumnieki and Bauska municipality. The Vecumnieki municipality borders with Iecava, Bauska, Nereta, and 310;egums, Baldone and Jaunjelgava municipalities and the Republic of Lithuania. The municipal territory consists of Kurmene, Valle, B257;rbele, Skaistkalne, Stelpe and Vecumnieki parishes. The administrative centre of the municipality is Vecumnieki located 50 km from R299;ga and 30 km from Bauska. During a work camp we will have possibilities to visit different cultural and historical places. Volunteers will have possibilities to organise intercultural events, etc.

### Work:

The project LATVIA SAUNA CULTURE is a part of the initiative to promote our culture and teach community about the way of living in the past. Our biggest treasures are culture and nature, and both are still alive. As sauna is a part of our culture we will build a kind of a sauna. Volunteers will have a possibility to learn about the Latvian sauna culture, use of different nature materials in sauna procedures and, of course, to try Latvian sauna which is connected with culture and nature. Volunteers will help to prepare sauna brooms from different plants.

### Work:

In 2010 JAUNATNE SMAIDAM started to work on the development of the outdoor education centre. As we work mainly with outdoor education methods and adventure pedagogic methods it is necessary to have a camp place for trainings and seminars. Besides, our scouting and guiding groups sport tourism team need a place for practical learning. In the outdoor education centre we plan to make low and high ropes routes, different tracks for team building and learning scouts and guides arts. Volunteers will help to clean the territory of the planned outdoor education centre in a forest and a meadow. We have a plan to build as well a camp fire place, toilets, educational tracks, etc. Cleaning work will include cutting shrubs, cleaning a ditch, mowing grass etc. Part of outdoor education centre is as well our youth house. Volunteers will help in preparation of wood for winter heating and as well in small renovation works.
