Description

Partner:

SOS Children s Village, Abovyan

Work:

The volunteers will do environmental and renovation work on the territory. The further details will be provided at the time of the workcamp. Volunteers will participate in most activities with the children, performing a variety of different tasks. They will organize workshops - painting, sculpturing, handicrafts, dancing, singing, sports, language lessons, leisure time games. The main aim of the camp is organization of a concert or a performance and an exhibition of works which will be presented at the end. The concert/performance will be organized with the active participation of the children and the volunteers, making an interesting presentation of the national songs, dances, traditions of each country the volunteers come from.

Accommodation and food:

Volunteers will live in a separate comfortable cottage on the territory of the village.

Location and leisure:

It is situated in the Province Kotayk, 15km from Yerevan, Armenia is called an open-air museum. You will have lots of interesting excursions and visits to historical monuments and museums, which will be organized during the workcamp.

Requirements:

It is very important to bring with you different table games, songbooks, children s song CDs to work with children and for using in the performances/concerts which will be organized on the last day of the workcamp. During the workcamp volunteers will organize the Intercultural day when each volunteer will present his/her country, so please bring photos and booklets describing your country, recipes of national dishes, products and spices to prepare it and national songs. You can bring your music instruments, CDs with your favorite national songs and music and, of course, your high spirit and your creativity.

Description

Partner:

Republican Paediatric Rehabilitation Centre, Yerevan

Work:

The aim of this workcamp is organization of the leisure time of children with disabilities that receive their treatment in this Centre and environmental work on the territory. Volunteers' day will begin with environmental work: maintaining the territory, cleaning children's playground from weeds and grass, painting and some renovation work. After the children finish their therapy, volunteers will join them to draw, sculpture, sing and dance, do physical training, play games. At the end of the camp volunteers and children will organize a farewell concert.

Accommodation and food:

Volunteers will stay in a separate cottage on the territory of the Rehabilitation Center and sleep in beds. Do not worry about sleeping bags, as you will stay in buildings/cottages of the hosting organizations where you will be provided with beds/mattresses and bedding packs. In Armenian camps you should be disciplined and organized. Making beds and keeping the rooms neat and clean every day is obligatory. Volunteers will prepare the food by themselves. You will taste all kinds of Armenian traditional food, such as dolma, khorovats (barbecue), kiabab, khashlama, incomparable fruits of Ararat Valley - apricots, grapes, peaches, apples, berries etc. and vegetables.

Location and leisure:

The Centre is situated not far from the center of Yerevan, next to the artificial Lake Yerevan. The territory of the Rehabilitation Center is former Governmental rest house. Armenia is called an open-air museum. You will have lots of interesting excursions and visits to historical monuments and museums, which will be organized during the workcamp.

Requirements:

Volunteers are asked to bring different games and face-paint for the work with children. It is very important to bring with you different table games, songbooks, children's song CDs to work with children and for using in the performances/concerts which will be organized on the last day of the workcamp. During the workcamp volunteers will organize the Intercultural day when each volunteer will present his/her country, so please bring photos and booklets describing your country, recipes of national dishes, products and spices to prepare it and national songs.
