Description of Workcamp:

Boulmane is a small Town situated in the middle Atlas at 85 kms to the south - east of Fès.

It is famous for the snowfall during winter and mild temperature in summer. The middle Atlas big summits: Michlifen, Hibri and Habri are at a height of 2000 m. The area is also covered with tremendous forests. It is known by its natural panoramas and authentic monuments: ¿Ksour Ifkern¿ at 1700m alt.

¿Chantiers jeunesse Maroc¿ is organizing a workcamp in collaboration with ¿Association de bienfaisance Boulmane¿

Number of volunteers: 20

Nature of the work: The project consists of working in a water spring to set up the area (Ain Aghbalou), planting and gardening.

Lodging: the volunteers will be hosted in a student house in Boulmane.

Meals: will be prepared by volunteers.

Activities: You will also have to bring with them working clothes, a sleeping bag, and anything which could contribute to the good progress of the workcamp (game sets, musical instruments, cooking recipe, etc.). This will give you an interesting opportunity to discover cultural reality and habits of the local population.

Leisure activities:

Volunteers will have to setup their own programme of leisure activities.

There are some hints to help you setup this programme.

Meeting point: The first meeting will be at the Boulmane center

Lodging address: will you communicate later.

In case of emergency: phone our local branch in Boulemane Hamdach Mohamed GSM: 0667023366

CJM fee 45 euros to be paid by volunteer on arrival.
