**Description of Workcamp:**

Civril town hosted the first international work camp in 2014. The impact was very positive thus the municipality hosted 2 different groups, in 2015 for a summer camp project. This year they are going to repeat the same experience. This is a very good project to have very close contact with the local people. If you are a talkative, friendly, smiling person you are welcome to practise English with the local kids and youngsters. The summer camp will contain different sport sessions and practising English will be an additional part of the program. Although volunteers mainly will focus on practising English, any additional talent will be appreciated. Volunteers who can play an instrument, organize a drama, teach indoor - outdoor games, will be preferred. Volunteers are also expected to make a presentation of their country and culture. But the most important feature is speaking English. This camp offers a high level close contact with the locals. Anyone who has time, can also join in the following camp GEN-23 between 22.07 & 04.08.

W: Practising English with the local kids and young people between 13-23 age group. A: Volunteers will stay in a kindergarten. Sleeping bag and mat are not necessary. F: Will be supplied at the site. LA: English. LO: Civril is a town in the west of Turkey. Nearest city is Denizli. R: Medium level of English and some teaching experience are required. A motivation letter containing a Skype ID must be sent together with the application form. Meeting Point: Volunteers should arrange their travel directly to Denizli Airport. They will be transferred to the camp site directly from the airport at 18.00 on the 08.07. So arrivals must be arranged accordingly. More details will be on the info sheet.

**Description of Workcamp:**

If you wish to join in a work camp with your close friends, class mates or volunteers of your previous work camps, just alert them. Also if you are an individual or a couple, but prefer to be in a smaller group, you are welcome too. GENÇTUR can host up to 5 individuals or 3-5 people from the same country for the same period. The host, Math Village needs small group of volunteers for different daily tasks during the summer while there are math courses for Turkish pupils and students. This camp will give you a chance to meet a lot of Turkish young people who will be participating in mathematic courses in the center between 1st of June and 15th of September.

W: Construction, reconstruction, renovation, landscaping, gardening, class cleaning and kitchen works at a non-formal education center. A: Under the supplied tents. Sleeping bag and mat are necessary. If you prefer privacy you can bring your own tent. F: Food is provided at the venue. Volunteers help the staff for preparing, cooking the meals, setting up the tables and serving the food to the students during the courses and washing the dishes. LA: English. LO: Sirince is a small village in the west of Turkey. Please be aware that the center is a bit isolated. No night life, TV or disco is available at the center, but there is internet connection. The next village Sirince, which is only 15 minutes by foot, is very attractive and famous for its homemade wines and traditional architecture. The nearest town Selçuk, which is the home of world famous Ephesus open-air museum <http://www.youtube.com/watch?v=4mUqg1yBFT0> . The nearest city Izmir, is one hour away by coach.

Arrivals and Meeting Place : Volunteers of this camp must fly directly to Izmir and then take a train to Selçuk. The cost of local travel is about 8 Euros. The last train from Izmir Airport to Selçuk is at 19.30. But the journey takes 1 hour 15 minutes which is not enough to catch the last minibuss to Sirince Village in Selçuk Coach terminal at 20.00. Therefore you must arrange your landing before 17.00. Extra Fee: Individuals can apply free of charge. 3 and more applications from the same country is subject to a charge of 50 Euro per person. This cost is shared with the host to buy working materials.

**Description of Workcamp:** Egirdir municipality is a long term partner of GENCTUR and hosted many international camps in the past. Egirdir is a lovely, peaceful and traditional town by a lake. The town owns a zoo and a tree nursery and both needs help of the volunteers. **W:** Volunteers will work in the town zoo to clean the cages, landscaping, painting fences, etc. Some days will be spend in the tree nursery for planting flowers in small sacks.

**A:** In a dormitory, sleeping bag and mat are not necessary. **Food:** Will be served at the venue. **LA:** English. **LO:** Egirdir is a lovely, peaceful and traditional town by a lake and lies in the South-west of Turkey. Nearest city is Isparta. **Arrivals and meeting point:** The project will start in Istanbul with a compulsory orientation meeting, that all volunteers should attend on the first day of the camp at GENCTUR Office. The group will travel together to the camp site by an overnight coach on the same evening. The journey lasts 11 hours and costs 35 Euro per volunteer. Departure from the camp site is on the 31st of July after breakfast.

Address:

Project: SOCI-KIDS - Social project - Work with kids

Initial Date: 20/07/2016

Final Date: 05/08/2016

Min Age: 18

Max Age: 30

Places: 1

**Description of Workcamp:** GENCTUR runs a summer camp for a group of Turkish kids aged 10-14 and Turkish & foreign teenagers aged 14-17 whose families are financially supporting this holiday in Afacan Youth House (www.afacan.de), by the seaside. In the first week of this camp we will have kids aged 10-14, the main theme of this camp is photography and in the second camp we will have international teenagers aged 14-17, the main theme of the second camp is film shooting. The fund raised by such camps is used to support disadvantaged kids to have a holiday in the same center in the following weeks.

We are looking for communicative, talkative, active, kids friendly volunteers to organize activities for kids and teens and to take care them during the activities. The kids group will learn photography and the teen group will create a short film in the camp by the help of volunteers. Experience on photography and short film making and abilities or any sports (like basketball, volleyball, swimming, football, table tennis, etc.) chess, arts & crafts, music, dance, drama, in & outdoor group games is preferable. Volunteers will share the responsibilities of the leading team to take care a group of kids/teens including the trips outside of the camp and all kind of activities during the camp. Please be aware that you will be dealing with the kids/teens through the given & intensive program all day long. You will spend most of your time with the teens in the camp area with a limited private life. Thus contact with the locals is very very limited; however, you will have contact with the working staff and the people from other groups in Afacan Youth House. Volunteers may have fun together only after the kids/teens go to the bed and the team cover the late, daily staff meeting in the camp. Leaving the camp area is not allowed due to unexpected emergency cases. Teamwork is very essential for this camp. Thus any volunteer who disagrees with the camp rules and team spirit are asked to leave. Smoking & drinking alcohol is not allowed during the camp at the campsite in front of the kids/teens. Please be aware of these rules before applying.

W: Counselling a group of kids/teens and leading several activities for them. A: In Afacan Youth House, in 2-3 bedded rooms with toilet and shower. Sleeping bag and mat are not necessary. F: Will be supplied at the campsite. The counsellors will eat together with the group of kids/teens whom they are responsible for. LA: English. Turkish will be helpful but not necessary. LO: Yenisakran is by the Aegean Sea, in west of Turkey. The next city is Izmir. R: Volunteers must be at least 20 years old. A motivation letter with a pass size photo should complete your application form. Applicants will be interviewed by the camp manager via Skype for selection. Please add your Skype address on your motivation letter. Meeting point: Afacan Youth House. Please arrange your travel to Izmir Airport. Further arrival details will be on the info sheet.

**Description of Workcamp:** When he was asked, the Turkish folk hero Nasreddin Hodja, who has many funny jokes said : ¿The centre of the world is here : Ak&#351;ehir¿. You will learn his funny jokes if you join in this camp. The local association of social entrepreneurship wish to commemorate Nasreddin Hodja with an international youth meeting and voluntary work camp. 10 international + 10 local volunteers will work for a manual project and will share the social life of the town. This is a unique opportunity for international volunteers to have very close contact with the locals and to observe the traditional way of life. Volunteers are expected to present their country and culture. W: Volunteers spend more of their time to socialize with the local Youth to practice English. Additionally a manual work will be arranged like painting a school or landscaping. A: Volunteers will stay in a dormitory. F: Will be supplied by the municipality. LA: English. LO: Ak&#351;ehir is located in Konya province , in central Anatolia. Meeting Point : GENCTUR office in Istanbul. The project will start in Istanbul with a compulsory orientation meeting that all volunteers should attend on 21st of July, in GENCTUR Office at 17.00. All volunteers must arrive in Istanbul in time, otherwise you will miss the group departure on the same night and will have to make your own way to the camp site. The journey to the camp site takes 8 hours and costs 30 Euro. The departure from the camp site is on the 31st of July after breakfast.

**Description of Workcamp:**

The delta of Turkey's the longest river Kizilirmak (Red River), lays by the Black Sea coast and hosts 350 different bird speices. The area is very large and some parts are polluted by the waste staff like plastics, metals, etc. International volunteers will work together with 10 local young people for collecting waste materials, bird watching and counting, helping to heal wounded birds, landscaping and helping to the staff of the center for their daily tasks. This is a very nice camp for nature lovers. The camp site is very isolated, no night life and no internet is available. Therefore we need really enthusiastic, patient, team workers who can apart from hard working also create freetime activities for the whole group.

W: Cleaning the ground by collecting waste materials. A: Under supplied tents. Sleeping bad and mat are necessary. You can also bring your own tent if you want. F: Will be supplied at the site. Volunteers also will share the responsibilities of cooking and preparing the food. LA: English. LO: The Delta is by the Black Sea coast in the north of Turkey. The camp site is very isolated, no night life and no internet is available. Meeting Point : Samsun Airport on the 25th of July, at 17.00. **Description of Workcamp:**

With contributions of sister NGOs as well as our own financial and staff sources, we organise informal and non-formal education for socially and economically disadvantaged youth for empowering them. <http://www.dogubatikampi.org/sayfa/23/general-information>

We try to give the equal opportunities to low income youth to participate for learning by doing.

15-20 university students from different cities of Turkey will have a chance to experience inter cultural learning & different activities during this camp. Including 2 coordination leaders, the majority of the group will be Turkish. Except the leaders, the group members might not be able to speak any foreign languages. We are looking for 5 volunteers / counsellors who are able to organize, run and lead activities for the participants in different areas like practicing English, sport, drama, music, chess, indoor-outdoor games, handicraft, dance, etc.

W: Organizing, running & leading activities for the university students. A: In Afacan Youth Centre ([www.afacan.de](http://www.afacan.de)) in 3-4 bedded rooms with toilet and shower. Sleeping bag and mats are not necessary. F: Will be supplied at the campsite. R: Volunteers must be at least 21 years old with experience of the above-mentioned activities or group leading. Non formal education experience is preferred. As the level of English of the camp participants will be very low, the volunteers / counsellors should be talkative, encouraging, communicative, patient, talented and ready to teach. Traditional home made powder soup is a beginning dish for dinners in winters in Turkey. This camp is a unique opportunity to learn how to make it. Also the tomato paste is a tasteful ingredient for all meals. Are you interested in how it is made? Local Turkish people will teach the preparation of the home-made tasteful staff to anyone who is interested. You will learn both to prepare the soup and tomato paste. You will have a chance to taste the soup and take some with you to cook at home. The daily occupation will be 4-5 hours and you will have a chance to join the other group activities in the center or enjoy your free time individually at the Afacan Youth House [www.afacan.de](http://www.afacan.de).

If you want, you can also volunteer for the kids sharing the complex for other projects during your stay. W: Learning how to make and producing home-made powder soup and tomato paste. A: In Afacan Youth House, in 3-6 bedded rooms with toilet and shower. Sleeping bag and mat are not necessary. F: Will be supplied at the center. LA: English. LO: The camp site is in the west of Turkey by the Aegean Sea coast. T: Izmir. Please arrange your travel to Izmir Airport. Further arrival details will be on the info sheet. Extra fee: 250 Euro to cover the cost of accommodation and food. The fund raised from the extra fees and selling the soup and tomato paste made in this camp, is used for supporting the disadvantaged children and youth camps in Afacan Youth House.

**Description of Workcamp:**

Partner: Our partners are Kirklareli Municipality and Toy Library. This is the first time that we organize workcamp together with the municipality and Toy Library. For more information [www.kirklareli.bel.tr](http://www.kirklareli.bel.tr) and [www.oyuncakkutuphanesi.net](http://www.oyuncakkutuphanesi.net)

Work: Kirklareli Municipality is organizing a campaign on collecting new and used toys all around Turkey in cooperation with GSM and Toy Library. It's a national campaign that will reach several cities and organizations promoting it. Our volunteers will work with local young people and national volunteers on classifying due to age, repairing collected toys and packing them as presents by adding personal stories. The toys will be distributed to Roma and refugee children because Kirklareli is the town hosting several Roma families and refugee camps. In addition, the volunteers will have the chance to learn how to make wooden toys with an expert.

Accommodation and Food: Hostel / Cafeteria

Location and Leisure: Kirklareli is a beautiful city from the European part of Turkey. The province has a coastline on the Black Sea. The town has the perfect combination of nature and colors and it located near of the amazing destinations like Demirkoy, Igneada and Dupnisa Magrasi. Demirkoy lies on the Black Sea coast and is approximately 5 km south of the Mutludere river which forms the border with Bulgaria. The Igneada Floodplain Forests National Park with its Lake Saka Nature Reserve Area is situated around the town. It harbors one of the few remaining floodplain forests in all of Europe, which is home to many different bird species.

Participation Fee: 30 Euro

Language: English

Terminal: Nearest terminals; Istanbul

Notes: The participation fee will be paid upon arrival and will be spend to cover the expenses of the expert training volunteers on wood processing to create toys.

Summary: This year we are working with toy library in Kirklareli. Our volunteers with the help of local young people will be repairing old toys and packing them as presents.

**Description of Workcamp:** Partner: Our partner is Tasoluk Municipality in Afyonkarahisar. We are cooperating with Tasoluk Municipality for the first time this year. For more information about the municipality, please visit [www.tasoluk.bel.tr](http://www.tasoluk.bel.tr)

Work: Tasoluk Municipality has many gardens and parks within their lovely town. During our workcamp in Tasoluk, our volunteers will be working on regulating those parks and converting them into a better and more beautiful areas that locals spend their time with their families and friends.

Accommodation and Food: Hostel / Local restaurant

Location and Leisure: The city of Afyonkarahisar is located as gateway between the sea and the inner regions of Anatolia. The history of the city goes back to 4000BC. The top of the rock in Afyon has been fortified for a long, long time. It was known to the Hittites as Hapanuwa and was later occupied by Phrygians, Lydian and Persians until it was conquered by Alexander the Great. It is a spa-center with thermal baths and it is famous for specific *¿Turkish delight¿*. There are also some fairy chimneys and thermal foundations which attract many tourists every year as well as the Mevlevihane (a lodge by Mevlevi dervishes) became a museum recently. The city is a member of *¿Association of Historic Towns in Turkey¿*.

Language: English

Terminals: Nearest airports; Istanbul and Ankara

Summary: International voluntary workcamps are a good way to promote intercultural dialogue and volunteering. During our camp in Tasoluk, our volunteers will be working on renovating city parks and converting them into a better living space for locals for doing leisure time activities with families and friends.

**Description of Workcamp:** Partner: Our partner is Egirdir Municipality. This year is the third year of our cooperation. More information about our partner can be found at [www.egirdir.bel.tr](http://www.egirdir.bel.tr).

Work: Egirdir Lake lies in the Turkish Lakes Region and is 150 kilometers north of Antalya. With an area of 500 square kilometers, it is the fourth largest (second largest freshwater) lake in Turkey. The lake is ecosystem for several species as well as economic resources for several fisherman in the town. Similar to the last year, our volunteers will help on cleaning the lake area, renovating the public places used for picnics and swimming, understanding the biological diversity and helping authorities to protect it, observing ecosystem within the lake.

Accommodation and Food: Dormitory / Cafeteria

Location and Leisure: Egirdir is one of the most beautiful districts in Turkey. It is 34 km far away from Isparta. The town has the perfect combination of nature and colors and it located near of the amazing Egirdir Lake. Egirdir has lots of historical choices for its visitors like in the rest of Turkey. The municipality will give you the chance to explore some of these ancient places. The Aksu Dungeon Cave and the Canyon of Candir are only a couple of examples for you. It will be the exact volunteering project for which you will remember always.

Language: English

Terminal: Nearest Airport: Istanbul

Summary: Our volunteers spend their time in Egirdir that has the fourth biggest lake of Turkey by doing some renovation on lake and swimming areas of the town as well as observing and helping the protection of the lake species.

**Description of Workcamp:** Partner: Our partner will be Mugla Municipality, located in the coast of Aegean Sea. We have been working with the municipality for several years and our cooperation is getting stronger year by year. They are waiting for international volunteers all around the world.

Work: Volunteers will be working closely with renovation department of the municipality and their main duty will be renovating the sport center in the most famous touristic town of Mugla, Fethiye. Their work will be appreciated by local young people doing regular sports.

Accommodation and food: Dormitory / Local restaurant

Location and leisure: Our camp will take place in the most touristic town of Mugla, Fethiye. Fethiye is one of Turkey's well-known tourist centers and is especially popular during the summer. Fethiye is also home to the Tomb of Amyntas, a large and beautiful tomb built in 350 BC by the Lycians. What makes this tomb unique is its massive size and beautiful carvings. Some of the other historical sites worth visiting are: Kadyanda Ancient City, Kayakoy- old Greek town, Afkule, Gemiler and Aya Nikola. Most popular touristic towns of Fethiye are: Oludeniz, Calis Beach area, Hisaronu and Ovacik. In addition to all of those historical and cultural background, Fethiye is famous with beaches and night life that our volunteers may enjoy during their free time.

Language: English

Terminal: Nearest terminals; Istanbul, Izmir, Antalya, Dalaman

Summary: Volunteers will be working on renovating the sport center that are being used by local young people in Fethiye.

**Description of Workcamp:** Partner: Our partner is Bartın Municipality. This is the second time that we organize workcamp together with the municipality. For more information [www.bartınbelediyesi.com](http://www.bartınbelediyesi.com)

Work: Bartın has a perfect beach called Inkumu that is attracted by many tourists each and every year. This year, our volunteers will be preparing some banners to draw attention from locals and tourists as well as cleaning the beach area.

Accommodation and food: Under tents / Local restaurant

Location and leisure: Bartın is a beautiful city from the Northern part of Turkey. It is one of the richest districts with its forests and included Kure Mountains National Parks. Main sights include the castle, two churches, bedesten, the Kuskayasi Road Monument and Inziva (seclusion) Cave in the city center. Sections of the ancient city like the forum, the council palace, the road of honor, the theatre, the acropolis, and a necropolis are now below the ground. The wooden Bartın houses display the architectural characteristics of the art movements after the Reforms Decree.

Special Requirements: Do not forget to bring your sleeping bags and mattress.

Language: English

Terminal: Nearest terminals; Istanbul

Summary: Volunteers will work on the beach mostly. Inkumu beach attracts many local and foreign tourists each year, what we want to do together with the municipality is to raise awareness of both locals and foreigners to have clean holidays, to be able to enjoy the golden sand beach each and every year. Volunteers' main tasks will be preparing some banners to draw attention and cleaning the beach area, since the best way of achieving what we stand for is including ourselves in the work.

**Description of Workcamp:**

Partner: Our partner is Bademler Village. Last years, we have cooperated with Bademler village for several times and this year we will start another cooperation. Work: Bademler is a small village that is famous with its rich cultural background. Thus, our volunteers will work with Bademler Development Association to increase awareness on intercultural dialogue and solidarity. The volunteers will build bicycle roads that will cover all around the village. They will contribute to the sustainability of the village as well as their candidacy to be part of the ¿Citta Slow¿ network.

Accommodation and food: Family Stay

Location and leisure: Bademler is a village in Urla district of Izmir where the capital of Urla district is actually a part of Greater Izmir. The distance to Urla is 9 km and to Izmir is 35 km. Efes Ancient city, Kusadasi, Cesme, Alacati are beautiful destinations that next to the Bademler village. Village has its own theaters and daily plays happen during the entire summer. Thus, volunteers can take part in theater plays that are shown in the city center as well as they may just enjoy as a guest.

Language: English

Terminal: Nearest Airport: Izmir

Note: Since our volunteers will stay at village houses as their guests, volunteers will be expected to respect house rules during their stay.

Summary: Similar to previous years¿ program with Bademler Village, our volunteers will work with locals to build bicycle roads in order to contribute to the sustainability of the village as well as their candidacy to be part of the ¿Citta Slow¿ network.

**Description of Workcamp:** Partner: We have a new partner, Kas District Directorate of National Education. Kas is one of the district of Antalya, the most touristic place in Turkey. Since it will be our first cooperation with Directorate, they are as excited as we are and preparing a wonderful program in this lovely seaside town. For more information: <http://kas.meb.gov.tr/>  
 Work: Our volunteers will work with a school administration and their main duty renovate the public school and helping school students to discover the countries that they have been coming from. Volunteers' work will be very meaningful and important for the town because many of the students are children of villagers so that they don't have any many opportunities to contact with foreign people.  
 Accommodation and food: Dormitory/Cafeteria  
 Location and leisure: Kas (pronounced 'Kash') is a small fishing, diving, yachting and tourist town, and a district of Antalya Province of Turkey, 168 km west of the city of Antalya. As a tourist resort, it is relatively unspoiled. The town of Kas has a Hellenistic theatre and many other places of historical interest; and it has spots of natural beauty, including excellent beaches, and a number of interesting caves, some of them underwater. There are several ruins of the antique cities of Komba (in the village of Gombe), Nisa, Kandyba, Phellos, Istlada, Apollonia, Isinda and Kyaenai.  
 Language: English  
 Terminal: Nearest terminals; Antalya  
 Summary: Volunteers will be renovating a village high school building to prepare it to next academic year. Also they will be in contact with village children and youth in order to help them learn about volunteers' countries culture and practice English.

**Description of Workcamp:** Partner: Our partner is Milas Municipality. We have been organizing workcamps for years. For more information please visit: [www.milas.bel.tr](http://www.milas.bel.tr)

Work: We have been organizing workcamps with Milas Municipality for years. Every year our volunteers help Milas to be a better and more beautiful town by doing renovation, cleaning, festival, kids and elder people. This year's topic is renovation! Our volunteers will renovate some old and historical buildings within the old and historical town.

Accommodation and food: Dormitory / Cafeteria

Location and leisure: Milas, one of our oldest and most experienced partner, is a touristic coastal town in Mugla, where the mountains meet the sea and Mediterranean cost meets Aegean cost. The town is quite rich in terms of history. There're many ancient cities and historic places, some belonging to thousands of years ago. That is probably the reason why Milas is also a member of ¿Association of Historic Towns in Turkey¿.

Language: English

Terminal: Nearest international airport: Istanbul or Bodrum.

Summary: It is a tradition for our international volunteers to take part in the renovation of the public parks in Milas. This year, the volunteers will take part in renovation work in the public parks such as painting the benches, renovating the playgrounds and historical buildings.

Max Age: 30

Places: 3

**Description of Workcamp:** Partner: Our partner is Yenisehir Municipality, one of the four districts of city of Mersin. This is the 15th year that we have been cooperating with the municipality. For more information about the municipality please visit <http://www.yenisehir.bel.tr/>

Work: Similar to previous years, program with Yenisehir Municipality, volunteers will be asked to do some environmental and renovation work; such as cleaning, painting, repairing and sustaining of public areas.

Accommodation and Food: Hotel/ Local restaurant

Location and Leisure: Mersin is 20 km inland from Mediterranean Sea. It has hosted various nations throughout the history. The city welcomes the volunteers with its beautiful nature, historical monuments, ruins from antique and middle ages and modern structures of a developing city. Cleopatra's Gate, church of St. Paul, architectural works from Ottoman periods and early Republic of Turkey are some of the most remarkable features of the city. Local cuisine includes sandwich with grilled meats wrapped in flat bread named *tantuni*, a dessert made by carrot called *cezerye* and a sour drink named *salgam*.

Language: English.

Terminals: Nearest airports; Istanbul, Ankara or Adana.

Summary: In Mersin, there are so many green areas like Yenisehir that is both green and public space of Mersin. This year, our volunteers will learn Yenisehir's environment and they will be helping to clean the living places and repair in public areas such as parks and picnic areas.
