Project: ENVI-KIDS - Environmental-Work with kids

Initial Date: 30/06/2017

Final Date: 15/07/2017

Min Age: 18

Max Age: 30

Total Places: 1

Male Places: 4

Vegetarian Places: 1

Female Places: 4

Disabled Places: 0

Extra Fee: 30 EUR

SPECIAL REMARKS/EXTRAS:

30 EUROS EXTRA FEE/ CERTIFICATE OF GOOD CONDUCT

REQUIREMENTS:

Volunteers to have an interest in working alongside children.

A Certificate of Good Conduct must be sent to Concordia at least three weeks before the project takes place.

At times this project can be physically demanding and the volunteers need to be prepared to work outside in all weathers.

UK VOLUNTEERS - if you are a UK resident interested in joining this project, please contact the Concordia UK team before applying online.

DESCRIPTION OF WORKCAMP:

Moulsecoomb Primary School teaches around 400 3-11 year olds and has a strong ethos of working in partnership with the local and wider community. The school believes that one of the best ways for children to learn is through practical activities and the school grounds are full of artefacts such as a totem pole, Mesolithic hut and an iron age round house. The school works closely with The Moulsecoomb Forest Garden and Wildlife Project, which has a collection of allotments which have been converted into an environmental project for the benefit of the local community. The Forest Garden and Wildlife Project began in 1994 and is now a magical place hidden away behind the railway station.

International volunteers will be joining the family of the school and need to be flexible to the daily tasks. Three days a week you're likely to be helping out with the children in the classrooms in the mornings, then in the afternoons be out in the school grounds working on tasks like painting, gardening and maintenance. Two days a week volunteers will visit the outdoor education gardens at Moulsecoomb Forest Garden Project and help with watering, planting, digging and learning about their work with the local community.

COMPLEMENTARY ACTIVITIES - LEISURE ACTIVITIES:

Volunteers need to be able to be physically active, and able to walk on uneven ground and sleep on the floor, and participate in gardening work often in all weathers.

ACCOMODATION/FOOD:

The accommodation is basic but adequate; volunteers will sleep on the floor in the community room at the school. There are showers and cooking facilities at the school. Please bring a sleeping bag and roll mat. The community room is used at 8am for breakfast club so volunteers must be prepared to tidy their things away in the morning and have breakfast with the children. It is really important that volunteers respect that they are in a school and act as role models for the children. Since it is always nice to try new and different dishes, volunteers are encouraged to bring along their favourite recipes from home!

LOCATION:

Moulsecoomb is situated to the north of Brighton, a vibrant seaside town famous for its open mindedness and relaxed attitude. It is only 1 hour by train from London. Brighton.

SPECIAL REMARKS/EXTRAS:

30 EUROS EXTRA FEE/CERTIFICATE OF GOOD CONDUCT /MOTIVATION LETTER/ SKYPE INTERVIEW (GOOG LEVEL OF ENGLISH)

REQUIREMENTS:

Volunteers must enjoy being outside, be motivated to work hard to create a beautiful and functional site, have an interest in community life, and a desire to learn about living in an environmentally sustainable way. A certificate of good conduct and a motivation letter is required. Volunteers must also speak a good level of English, all applicants will receive a Skype call to check their English level is high enough; the hosts need to check that you can understand health and safety instructions etc.

ACCESSABILITY: Volunteers need to have a good level of physical fitness and be confident walking on uneven ground outside.

UK VOLUNTEERS - if you are a UK resident interested in joining this project, please contact the Concordia UK team before applying online.

DESCRIPTION OF WORKCAMP:

Green & Away are a registered educational charity, that organise, build and run Europe's only tented, sustainable conference centre - a temporary eco-village, situated on a farm in the west of England. Each summer they bring a community of around 100 volunteers from across the world together to create the site, facilitate events, and take down this beautiful and unique project.

Volunteers will be an integral part of the team helping to run some of the final events of the summer, before working on the take down of the Green & Away site. Work will include – de-constructing and packing away tents, marquees, yurts, domes and other structures; decommissioning compost toilets; maintaining and packing site infrastructure e.g. plumbing & electricity - solar/wind energy; managing the transport & logistics of equipment; keeping our wood-powered showers hot; maintaining our organically grown kitchen garden; baking bread and cooking wholesome, vegetarian, organic, and locally sourced food in our kitchen; 'housekeeping' of the rental accommodation for our participants; art installations and practical workshops e.g. woodwork, leather work, foraging for plants and flowers; enjoying music and laughter in the Honking Goose, our fully licensed, volunteer-built bar. Volunteers work in teams within a group of approx. 35-50 people. When we host an event, up to 200 people can be on site. During the take down phase our working days usually start at 9am with a short meeting to discuss the tasks for the day, and finish around 5-6pm, with lunch and regular tea and cake breaks. During conferences the tasks have very different working hours. For example some people will be up early every day to light fires for the showers, the kitchen has 2 different shift times - whereas the bar workers usually finish late at night, so will start much later in the day too!

ACCOMODATION/FOOD:

Volunteers live in tents on site, and toilet and shower facilities are provided. IT RAINS IN ENGLAND IN THE SUMMER ? Be prepared! Volunteers MUST bring: Waterproof coat and trousers, strong boots, warm clothing, sleeping bag, camping mattress. We also ask volunteers to bring their own tent if possible. Extra blankets are available. Three healthy meals a day will be provided which will be mostly organic, vegetarian, and made using locally sourced produce where possible. Special dietary requirements can be provided for.

LOCATION:

The site is based at New House Farm in the small village of Bransford. It is surrounded by stunning countryside, close to the Malvern Hills. Bransford is in the county of Worcestershire, in the west of England, approximately 35 miles/56 km from Birmingham. Bransford.

SPECIAL REMARKS/EXTRAS:

30 EUROS EXTRA FEE/ CERTIFICATE OF GOOD CONDUCT

REQUIREMENTS:

Volunteers attending this project need to be sympathetic to the Buddhist faith and realise the centre is used for meditation and reflection. Volunteers should bring some comfortable work clothes.

ACCESSABILITY: Volunteers need to be able to manage stairs, and walk on uneven ground in the outside areas.

UK VOLUNTEERS - if you are a UK resident interested in joining this project, please contact the Concordia UK team before applying online.

DESCRIPTION OF WORKCAMP:

Manjushri KMC is an internationally renowned centre for meditation, where everyone is welcome to enjoy the peaceful environment or join in the many programmes offered throughout the year. This project allows volunteers to gain an insight and experience of living and working in a modern day Buddhist community, helping to gain a calm and relaxed mind and meeting others with shared perspectives and ideas.

Manjushri welcomes volunteers throughout the year to help with many aspects of the running of the centre. One of the areas in which volunteers help is the art studio, which makes Buddha statues for temples all over the world. On this project the volunteers will focus on working within the art studio. The main task is to sand the Buddha casts when they come out of the molds to get rid of any seams and imperfections. You may also be able to help with other aspects of the process such as preparing the molds and painting. Please be prepared to be flexible and help where needed. You will have the chance to meet and mix with other volunteers and residents at the centre. Although the work is not strenuous you will need to be reasonably fit and active to join us. Volunteers can also join daily guided meditation sessions if interested. Weekends are free to explore the local area.

ACCOMODATION/FOOD:

Volunteers sleep in basic dormitory accommodation usually in the main Priory building, in separate male/female rooms. Shared bathroom facilities are available. Meals are provided by the centre. All meals are vegetarian and volunteers are requested not to bring meat onto the premises. Smoking and alcohol are not permitted within the centre grounds.

LOCATION:

Manjushri KMC is based at Conishead Priory, a rambling Romantic Gothic mansion set in 70 acres of gardens and woodland that lead down to the shores of Morecambe Bay. The centre is located close to Ulverston which is a market town on the edge of the Lake District National Park in Cumbria, the most north-western county in England, which borders Scotland. Ulverston.

SPECIAL REMARKS/EXTRAS:

TERMINAL-MEETING POINT St.David's bus station.

50 euros EXTRA FEE

REQUIREMENTS:

Volunteers need to bring work boots, warm and waterproof clothing and a warm sleeping bag. Interest in sustainable agriculture is desirable.

DESCRIPTION OF WORKCAMP:

The volunteers will be working with the farmers and COCA members to prepare for COCA's annual Harvest Festival which will take place at the end of August. The festival will bring together COCA members and the local community to celebrate this year's harvest, and to eat, drink, and enjoy live music. The event will also act as an educational platform to share thoughts and ideas on sustainable and eco-friendly food production. The volunteers will take a very active role in the festival preparations, including event administration, decorating the venue, promoting and publicising and preparing food. The volunteers will also be helping out with general farm work, including weeding and planting a wide variety of vegetables and salads. Volunteers will be able learn about community supported agriculture, and develop horticultural skills. This is also a great opportunity to gain experience in event management, and volunteers will have the chance to be very creative.

PARTNER Caerhys Organic Community Agriculture (COCA) is an agricultural scheme run for and supported by the local community. COCA members share delicious organic food grown in partnership with local farmers. For more information visit the COCA website at www.coca-csa.org.

COMPLEMENTARY ACTIVITIES - LEISURE ACTIVITIES:

There are lots of activities available in this area including walking the famous Welsh Coastal path, water sports such as kayaking, surfing and coasteering, as well as rock climbing and fishing. Despite being small the area is a very popular tourist destination thanks to its natural beauty and vibrant culture.

ACCOMODATION/FOOD:

Volunteers will live in one of the farm buildings or in tents (depending on weather and availability) and will need to bring warm sleeping bags. There is a barn area for communal activities, and a kitchen and shower nearby. The group will cook together using produce from the farm when possible. Some will also come from surplus food donations which is a part of COCA's ethic to live in a sustainable way and avoids waste wherever possible.

LOCATION:

Caerhys is located in Pembrokeshire, a beautiful National Park area situated on the coast of West Wales. Although this project is remote, the nearest city of St David's (the smallest city in the UK) is four miles away and buses to the city run around four times a day during the peak season..
