Local Partner: Clyde Muirshiel Regional Park.

Clyde Muirshiel Regional Park is Scotland's largest regional park. Clyde Muirshiel Regional Park aims to promote and foster environmentally sustainable development for the social and economic well-being of the local people and communities. They also aim to conserve and enhance the natural beauty, biodiversity and cultural heritage of the Park. Volunteers will work closely with the Park Rangers.

Work: Volunteers will be involved in the following work:

- * Creation of otter hides: This will involve working with the Ranger Service to create homes for the park's otters.

- * Clearing of alien species from the park. This will involve removal of the many different species of foreign plants that threaten the park's delicate ecosystem. This will involve working with a variety of different tools.

- * Resurfacing work on a footpath

- * Involvement in the events programme including the 'Windows on Wildlife' events

Accommodation: The volunteers will be staying at Clyde Muirshiel Regional Park in shielings (small Scottish huts) at the Barnbrock campsite - Shower and cooking facilities are in a block beside the shielings. Volunteers will be cooking for themselves as a group.

Volunteers will need to bring with them a sleeping bag and mat.

Remarks: Volunteers attending this project will have the chance to take part in many different free time activities hence the higher than usual extra fee. At the working site there is a lake with a sailing club and the volunteers will get the chance to go sailing and canoeing several times. Additionally, there will also be the opportunity to take part in some additional free time activities depending on what the volunteers choose.

Extra Fees: £100

Terminal: Lochwinnoch Train Station
