Description of Workcamp: XS03 Doune The Rabbit Hole

Stirlingshire 14/08 - 30/08
FEST 30 (18-30)

Local Partner: Doune the Rabbit Hole is an intimate, independent music & arts festival located amidst the glorious ancient oak trees of the Cardross Estate, near Scotland's only lake, Lake of Menteith, in Stirlingshire. We started life in 2010, at a site near the town of Doune (hence the name) and for the last 6 years have been celebrating the very best of Scotland's independent/DIY arts scene alongside amazing international guests.

We've been honoured to host an extraordinary array of music, art, theatre and spoken word over the years, and 2015 is set to provide more of the same! Along with the pick of Scotland's musical talent there'll be workshops for kids and adults, arts, craft producers, and delicious local food and drink suppliers.

DtRH is arguably the smallest festival of its kind in the country, but we're not only small because we're young; our size is a vital part of what makes for such a special weekend. With a capacity of only 1000 creating such an intimate, friendly, community atmosphere, you can't help making friends throughout the weekend. www.xchangescotland.org

Work: Volunteers will work to set up and break down the festival site. This will involve both constructing the various stands, tents and physical infrastructure of the site, but also more decorative tasks to give the site an amazing look and feel. It will not involve litter picking. On the first day you'll be building your own showers and the Yurts where you will be sleeping.

Volunteers will work the week before and after the festival but will not work during the festival itself, they will be free to enjoy the entire programme. This means that your weekend off will be one amazing big 3 day party, but that after it when a lot of other people are going home volunteers are going to need to keep on working.

Accommodation: Camping in own tents on crew site or in same sex only Yurts. Volunteers can also bring their own tents too if they want. Volunteers will be catered for onsite and all meals are vegetarian friendly. Should they wish volunteers can also cater for themselves using camp stoves. www.xchangescotland.org

Location: Volunteers will be staying on the Cardross Estate, at the Port of Mentieth in Stirlingshire.

Located by the only lake in Scotland, Lake of Menteith. Volunteers will not have many opportunities to visit the local area will get to enjoy one of Scotland's best

music and arts festivals.

Remarks: Volunteers should be prepared to work long hours and work can be physically demanding
