**DESCRIPTION OF WORKCAMP:**

Project Since 2014 Vive Mexico has organized this project in Rincon de Guayabitos, Nayarit with extraordinary results, the aim of these projects is to protect sea turtles with a team of biologists working in Guayabitos, Nayarit. A team of biologists who are working with volunteers want to show you the charm of turtle's life. See the VIDEO! <https://goo.gl/LsaZnX>

Live in paradise and protect the turtles at the beach! Work The working hours are in the night from 20:00 to 8:00, four days per week, this depends on the number of turtles that come ashore, two teams will be split allowing each group to have a day of work, a day off for recovery and two days off in weekends. Some of the activities to be performed are: 1. To find adult turtles and collect their eggs. 2. To move the eggs to a protected place called Vivero. 3. To release newborn baby turtles into the sea. 4. To patrol the beaches at night. 5. To make some reconstruction in the most important turtle camps from the region. If you love nature, want to have a great time in beautiful beaches near the village, with all the amenities of a hotel and witness the magic spectacle of nature happenings since millions of years... then this project is for you! Skills and Certifications By participating in this project, you will acquire the global skills of Adaptability, Global Awareness, Strategic Thinking and Collaborative Planning, after the participation in the project volunteers will receive an official letter certifying these skills.

Special Requirements This camp is open for youngsters who have sensibility and open minded to emphasize about the situation and the realities of indigenous communities, the rural life conditions and be respectful for the indigenous culture and wisdom.

**COMPLEMENTARY ACTIVITIES - LEISURE ACTIVITIES:**

Riviera Nayarit is emerging as one of the most attractive and magic destinations of Mexico. The area extends approximately 300 kilometers along the coast, integrated by mountainous jungle and facing coastal islands. For those seeking a more rural and rustic experience with magic beach towns in Mexico the Riviera has a massive open space for everyone along the Nayarit coast, also, for those who want to relax there are also quiet beaches and there are other beaches with heavy waves for surfers. In their free time volunteers can go and discover Bahia de Banderas or

Puerto Vallarta. Read more: [http://www.puertovallarta.net/fast\\_facts/magical-puerto-vallarta.php](http://www.puertovallarta.net/fast_facts/magical-puerto-vallarta.php)

**ACCOMODATION/FOOD:**

**DESCRIPTION OF WORKCAMP:**

Project The objective of this project is to develop workshops of art therapy where through music and visual art seeks to express various stages of the patients' awareness, through various plastic techniques that benefit reflection, expression and relaxation with workshops will led by professional plastic artists. This project is supported methodologically by the Mexican Association for the Help of Children with Cancer, which is dedicated to the comprehensive care of children and adolescents of low resources suffering from Cancer.

Enlighten the day of children and youngsters recovering from cancer with good vibes and art workshops Work Volunteers will help and support art workshops, help in the elaboration of plastic works arts and support in the sensitization to the population through expressions of art produced by children and teenagers with Cancer. Skills and Certifications By participating in this project, you will acquire the global skills of Adaptability, Global Awareness, Strategic Thinking and Collaborative Planning, after the participation in the project volunteers will receive an official letter certifying these skills.

Special Requirements This camp is open for young people who is sensible to arts and to support and be empathic with children that are recovering from illness, we request very motivated volunteers!

**COMPLEMENTARY ACTIVITIES - LEISURE ACTIVITIES:**

You can walk in downtown which has many cultural activities and discover the variety of historic buildings and monuments, for those looking to surround themselves by natural wonders, such as the Island of Janitzio or the ancient pyramids of Tzintzuntzan, the magical towns of Patzcuaro, Santa Clara del Cobre, and several ceremonial centers of the Mesoamerican pre-Hispanic culture.

**ACCOMODATION/FOOD:**

Volunteers will be hosted in a youth hostel in Morelia City, full board and hosting will be provided as well as local transportation for the work and leisure activities.

**LOCATION:**

The camp will be organized at Morelia city, a very beautiful place and the state capital of Michoacan it's a most dynamic and beautiful city, Morelia is an increasingly popular destination, and rightly so: the colonial heart of the city is so well preserved that it was declared a Unesco World Heritage site in 1991, and its cathedral is not just gorgeous, it's inspirational. Morelia, founded in 1541, was one of the first Spanish cities in Nueva España. The first viceroy, Antonio de Mendoza, named it Valladolid after the Spanish city and he encouraged Spanish nobility to move here with their families. In 1828, after Nueva España had become the Republic of Mexico, the city was renamed Morelia in honor of local hero José María Morelos y Pavón, a key figure in Mexico's independence.
